

Beef sirloin, maître d'hôtel butter, sautéed green beans and shallot

Recipe for 4 persons

Description

Seared sirloin beef, served with a parsley and garlic butter and served with green beans and shallots sautéed in butter, garnished with cherry tomatoes.

Note

- 2 Unit(s) Shallot
- 200 Gr Cherry tomatoes

- Butter
- Salt and pepper
- Vegetable oil

Preparation

- Preparation time **30 mins**
- Preheat your **four** at **400 F°**

General preparation

Cut the shallots into thin slices. Chop the parsley. Chop the garlic. Cut green beans into 2 or 3 wedges. Cut the cherry tomatoes in half.

Maître d'hôtel butter preparation

Work the butter so that it gets a creamy texture, then add the parsley and the chopped garlic. Transfer the butter in a pastry bag fitted with a star tip. Alternatively, you can roll it in plastic wrap, forming a cylinder, then refrigerate at least a few hours.

Sirloin steak preparation

Season the sirloin steaks with salt and pepper. In a hot pan with a drizzle of vegetable oil, color the beef 1-2 minutes per side to get a golden brown coloration, then cook over medium heat to reach your desired degree of doneness. You can also transfer your beef on a baking sheet and finish cooking it in the oven for about 3-5 minutes depending on thickness.

Green beans preparation

In a large saucepan of boiling salted water, cook your green beans a few minutes until they become al dente. Then plunge immediately into an ice water bath to stop cooking. Just before serving, heat a knob of butter in a pan and sweat the shallots for a few minutes, add the green beans and sauté them in butter a few minutes. Season with salt and pepper.

To serve

Arrange green beans in soup plates, garnish with half cherry tomatoes and place a rib eye steak on top. Serve a little bit of maître d'hôtel butter on top of the steak. Serve immediately.

Bon appétit!
