## Chocolate Madelaine's

## Recipe for 20 unités

## Description

A rich gooey chocolate Madelaine lightly sprinkled with icing sugar.

## Note

For best results, make the cookie dough the day before. Then cook when ready to consume.

## Ingredients

## Madelaine dough

- 115 Gr Egg
- 100 Gr Sugar
- 22 Gr Honey
- 45 Gr Milk
- 130 Gr Flour
- 20 Gr Cocoa powder
- 8 Gr Baking powder
- 150 Gr Melted butter

## Preparation

- Preparation time $\mathbf{3 0}$ mins
- Preheat your four at $\mathbf{3 6 0} \mathbf{F}^{\circ}$

## Madelaine cookies

In a stand mixer, combine the eggs and sugar. Mix until you obtain a nice ribbon.
In a small saucepan or frying pan, warm the milk and honey together.
Sieve the flour, baking powder and cocoa powder.
Once the eggs and sugar are a nice ribbon, add the warm milk and honey mixture, and stir with a rubber spatula.
Next, add the flour, mix well, and finish by encorporating the melted butter.
Ideally, let the mix rest in the fridge for 24 h .
Cooking

Butter and flour the Madelaine molds then pour the cookie mix into the mold, making sure not to put more than $3 / 4$ of each mold. Place the mold on a baking sheet and cook for roughly 17 minutes.

## Finishing

Once cooled down and un-molded, sprinkle lighty with the icing sugar.

## Bon appétit!
