

Lamb burger with spices, fresh cilantro, roasted onions and peppers, lime mayonnaise

Recipe for 4 servings / 12 tapas

Description

A lamb burger full of flavor, roasted vegetables, all in a bun, very appealing.

Note

The vegetables are cut up in large pieces to withstand the cooking time in the oven, so we want to keep them chunky (not pureed).

This recipe is in tapas format, but it can easily be made into a main course using larger loaves.
